Educational Activity:

COLLECTIONS: Our permitted haulers have advised us of an 18% increase in customers for the year 2002 advertising and public education believed to be the reason. One of the companies has an in-house speaker regarding garbage disposal and pick-up.
DISPOSAL: Media used to deliver message on Transfer Station and Fire Station dates, where and methods.
RECYCLING/REDUCTION: Fire departments, Girl Scouts, Homemakers, and Goodwill are good examples of public educators with on going public service.
ANTI-LITTERING: Allen County/City of Scottsville and Jailor look at our Community with pride since the Work Release Service was developed. General appearance and public expression excellent.
ANTI-DUMPING: Allen County Annual Clean-up, stemmed from a need to clean up the dumps in the county. Annual Clean-Up has been to the residents and the Commercial Services, that to use our service as needed.
ENFORCEMENT: County Judge Executive, in conjunction with Allen County Fiscal Court, and the Mayor, City of Scottsville, in joint effort are a public source that we do enforce all ordinance and resolutions regarding clean-up.
Brett P. Zella, Division of Law Enforcement/Department of Wildlife Resources recently has made strides with approved enforcement.
SITING: Once at end of quarter we check all dumps, clean-up as needed or if the site has been reported.

Special Events:		

COLLECTION: Hart Co. Solid Waste provided information on types of items collected by service and items to be brought to the Drop-off Center. Notices in the newspaper and on the radio also alerted the public to changes in collection services due to holidays, etc. The Solid Waste Coordinator reports monthly to the Fiscal Court and the 109 Board concerning collection, disposal, recycling and other matters.

DISPOSAL: The Hart Co. Solid Waste Service published information on the types of materials collected and what would be taken at the Drop-off Center. A brochure was created providing this type of information.

RECYCLING/REDUCTION: A Recycling Committee was formed to work on setting up a recycling program. Visits were made to three other recycling centers for ideas. An Education Committee was formed and produced a brochure and display to take to community events and the schools. The Education Committee created a recycling mascot and a contest was held to name him.

ANTI-LITTERING: Cleanup activities were publicized in the newspaper. The Solid Waste Service cooperated with the American Cave Conservation Association with their cleanup efforts. The Service organized and participated in the two Commonwealth Cleanup events held during the year.

ANTI-DUMPING: Cleanup efforts, cited above, were publicized in the local newspaper. The Solid Waste Coordinator developed a new "no dumping" sign which reads "Take Pride in Your County - Please Do Not Dump - Call Hart County Solid Waste 524-3323 - We Will Take Your Garbage". These signs are placed where dump sites are cleaned.

ENFORCEMENT: The Solid Waste Coordinator informed two individuals, one by phone and the other by letter of illegal dumping activities in which they had been involved. In both instances, the activities ceased and the dump sites were cleaned by both individuals.

SITING: The Solid Waste Coordinator provided the new County Attorney with a copy of the county's siting regulations for review and recommendations.

COLLECTION: A website (www.tricountyrecycling.com) provides information on collection, disposal, and recycling. The City of Henderson offered free pickup of bulky waste, trees, and limbs during the Community Cleanup event.

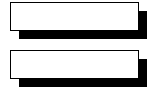

DISPOSAL: A brochure providing information on where citizens can dispose household waste is distributed to county residents. Household hazardous waste disposal tips are also provided in the brochure and on the website.

RECYCLING/REDUCTION: Henderson City and County schools were given outdoor school recycling containers by the Tri-County Recycling Alliance. Schools inside the city limits were included in the curbside recycling program which began in March 2002. Recycling brochures outlining recycling private and public drop off locations are provided to residents. Henderson started a curbside recycling program which was advertised in the local newspapers and on cable TV. Several radio programs promoted Commonwealth Cleanup Week and the Tire Amnesty program. School programs to educate students and staff about recycling was conducted by Pauline Allen, Tri-County Recycling Alliance. Articles were published in the local paper to inform residents about recycling schedules. A farm pesticide recycling program was conducted during two drop off days at the Henderson County Garage.

ANTI-LITTERING: Henderson sponsored 5 community cleanups which involved the Fiscal Court, County Road Department, the Henderson Detention Center Inmate Program, the Tri-County Recycling and Operation Community Pride and private hauler, Pea Ridge Trash. An Ohio River Sweep was conducted in June 2002. A radio remote was used during Commonwealth Cleanup Week.

COLLECTION: On March 20, 2002, all Hopkins County Convenience Centers handed out pamphlets describing what is accepted at a center and Transfer station. On the 1st and 2nd Saturday of each month, Hopkins county has free dump days. News articles: January Christmas tree collection and phone books, March Commonwealth Cleanup Week, April Spring cleanup introduced yard waste boxes, October leaf collection.

DISPOSAL: Discussion of cost of disposal of solid waste on WFMW live radio broadcast. Reviewed with solid waste committee possibilities of subscription door to door franchise collection of solid waste. Meeting was open to the public. Advertised the 1st and 2nd Saturday of every month as free dump days.

RECYCLING/REDUCTION: Starting March the 20th, green 42 cubic yard boxes were set out for yard waste collection. Material collected is taken to Madisonville Real Earth to be composted. Hopkins County Assistance Center furnished used furniture and clothing to needed families of Hopkins County. The Assistance Center was visited 42,000 times and supplied an estimated 265.5 tons of textile goods and furniture for reuse. County and Madisonville provides pickup service

for recycled materials at schools.

ANTI-LITTERING: For Earth Day Hopkins County Attorney Bob Moore working with the businesses of Hopkins County donate funds to provide automobile trash bags. These were handed out to the public in an effort to reduce litter on Hopkins County roads. Trash bags were given to the schools and at selected businesses through out the county. March 11th, 2002, I discussed the topic of littering to an open forum on WFMW radio. I addressed the appearance of litter, the cost of cleanup. I also talked on the problems of mosquito's breeding in illegal open dumpsites and in litter along the roadsides.

ANTI-DUMPING: Hopkins county placed 36 'NO DUMPING' signs in areas of illegal open dumpsites. The Hopkins County Enforcement Officer patrolled all Hopkins county roads, traveling 23, 400 miles. On March 11th, 2002 on WFMW Radio, I talked over problems of illegal open dumping. Explaining all points of cleanup and disposal. I spoke on what to expect if you were caught dumping or if your name were found inside a dumpsite. I also spoke on the matter of public nuisance on private property.

ENFORCEMENT: County enforcement officer traveled 23, 400 miles in 2002. Investigated 38 illegal open dumpsites with names found at the site. The violators cleaned up the sites plus one other site. If they refused to do the clean up, enforcement action would continue and a citation would be issued. All 38 illegal dumpsites were cleaned at the cost to the citizens of \$23, 025. This is an average cost of \$605.92 per violation. All violators are given three choices for remediation: 1) cleanup an illegal dumpsite plus their own site, 2) work ten hours at one of our seven drop off centers or 3) a citation issued by Hopkins County

COLLECTION: The Mason County Franchisee places ads in the paper to get people to sign up for residential collection. In December, the Court adapted mandatory collection, therefore a major campaign to relieve some of the public trauma has been initiated.

DISPOSAL: Advertisements in the local paper to inform residents of the free charge disposal of tires, used oil, white goods, batteries, and recycling items. The landfill staff provides tours and news information to educate the public on the various environmental activities that are being done at the landfill facility.

CLASSROOM INSTRUCTION: Classroom instruction on proper disposal of oil, batteries, and anti-freeze.

RECYCLING/REDUCTION: Participation in Conservation Day with talks and posters about composting. Tours of the recycling center for schools. Open house at recycle center. Classroom instruction on the three R's. Location of drop off trailers advertised.

ANTI-LITTERING: Continued advertising on the cable/radio station and the paper and participation in Commonwealth Cleanup Week, River Sweep, and Earth Day activities.

ANTI-DUMPING: In addition to paid advertising we are attempting to get violators who end up in court to be cited for "open dumping laws" instead of for "law # xxx" in the court news report.

ENFORCEMENT: None reported.

SITING: None reported.

Educational Activity:

COLLECTION: An informational letter was mailed to all customers outlining out services, policies, and procedures. We ran short radio advertisements to inform customers of changes in collection schedule during inclement weather.

DISPOSAL: Most public education about disposal takes place in 109 Board Meetings where discussions take place relative to drivers transporting solid waste to the landfill as well as landfill per-ton price.

RECYCLING/REDUCTION: Tours of recycle center and classes were held for schools, scout groups, etc. Coordinator always emphasizes recycling/reduction during these presentations.

ANTI-LITTERING: Anti-littering education is incorporated into classroom educations well as tours of the recycling center.

ANTI-DUMPING: Coordinator speaks monthly on a local radio show, "Edgewise." The subject of illegal dumping is often discussed. The coordinator uses this opportunity to educate the public about the harm that open dumping does to the environment (i.e. contaminated drinking water, etc.)

ENFORCEMENT: MCSW&R is imposing enforcement through call-ins driven by the Coordinator's participation on the radio show. The information he gives relevant to open dumping prompts numerous, ongoing tips from the public relative to actual illegal dumping that is taking place.

SITING: Siting education took place in Zoning Commission and Fiscal Court meetings. Example: A construction company applied for a permit to bury construction debris but was denied because the proposed site did not meet the county's monitoring requirements.

DISPOSAL: Education programs provided by SAR's encouraged students to write letters to newspapers to educate citizens about their responsibility to properly dispose of solid waste and to participate in solid waste programs. Resource material is provided to teachers about solid waste management.

RECYCLING/REDUCTION: SAR's worked with local school districts to promote recycling in the schools, beginning with paper and aluminum. Students are encouraged to take the message of recycling home and to participate in recycling programs. Resource material is provided to teachers about recycling.

ANTI-LITTERING: SAR's presented school children with information and consequences of littering. High school students are taught how they can be role model to younger students in the "Natures For Me" program. A program called "Project Respect" was created in conjunction with the Kentucky Certified Clean County Program. Resource material is provided to teachers about litter.

ANTI-DUMPING: SAR's presented school children with hands on activities about the dangers and pollution to the environment associated with illegal open dumps. The were informed how to report illegal dumps and about fines and penalties for illegally dumping in Kentucky. Resource material is provided to teacher about Commonwealth Cleanup week and PRIDE cleanups.

Met with Cities to discuss HB174 Litter Abatement program

Developed “Trim Your Holiday Waste-line” for WebpageA. Northern Kentucky Solid Waste Coordinator was involved in the following activities:

1. ☐ Solid Waste Educators continued to offer school programs. (see below)

2. ☐ Assisted several NKSWMA cities with garbage collection/illegal dumping issues.

3. ☐ Facilitated the Waste Tire Grant during Commonwealth Cleanup Week for all eight counties of the NKADD.

4. ☐ Aided Kenton County in the administrative aspects to the Kentucky Certified Clean County Program.

5. ☐ Conducted/attended various regular meetings including the NKSWMA Governing Body, NKSWMA Technical Advisory Committee, Kenton County Enforcement Committee, Solid Waste Coordinators of Kentucky (SWaCK), Regional Ozone Coalition, UK Extension Agricultural Water Quality Committee, Greater Cincinnati Earth Day Coalition, Regional Sustainability Partnership, Florence Office--DEP Solid Waste Coordinators, Environmental Quality Commission, Northern Kentucky City/County Management Association, and CRK meetings.

6. ☐ NKSWMA acted as resource for Cincinnati Bell Yellow Pages in implementing the 2002 Phone Book Recycling Program. Curbside recycling or drop box programs allowed outdated telephone books in the bin. Other residents could drop off phone books at phone center store in Florence Mall.

7. ☐ Attended NK Independent Health Department HHW Action Coalition meetings about conducting a household hazardous waste collection event.

8. ☐ Participated in “Waterific” meetings to conduct a “round-robin” educational event centered around water concepts. (see presentations below)

9. ☐ Participated in the Northern Kentucky Environmental Education Alliance; two events were conducted for teachers: Teachers Reception, and Rumpke/Griffin Workshop.

10. ☐ NKSWMA maintained an Internet Web Site for solid waste in Northern Kentucky at <http://www.nkadd.org> (click on solid waste.)

11. ☐ The NKSWMA Solid Waste Coordinator produces, films, and hosts a local cable access television show called “Waste Watch” shown twice/week on local government access channels. Subscription for InterMedia is approximately 140,000 households in Boone, Campbell, and Kenton Counties.

12. ☐ The NKSWMA Solid Waste Coordinator logged most requests and questions that came into the office in 2001. Approximately 200 calls were logged in '02. A callers were sent the Resource Guide including a stamped return postcard survey.

13. ☐ NKSWMA Resource Guide updated and distributed to citizens at various exhibits, mail outs, and all events conducted by Campbell, Kenton, and NKSWMA.

14. ☐ Brochures on Collection/Disposal System, Litter/Illegal Dumping Penalties, Facility Siting, and Recycling were distributed.

15. ☐ Northern Kentucky Fall Cleanup & Spring Cleanup flyer developed and distributed.

16. ☐ Distributed thousands of the NKSWMA pencils with 3R message.

17. ☐ Ohio River Sweep conducted & material distributed.

18. ☐ Articles & PSAs for the media on various activities, events, & subjects.

B. ☐ Solid Waste Education--The NKSWMA worked to educate a variety of audiences in 2002. The Northern Kentucky Solid Waste Management Area applied for a grant in 2001 from the Greater Cincinnati Foundation. The Foundation agreed to match any money raised locally. The NKSWMA, then, went to the cities and other organizations to ask for a contribution. Many cities agreed to contribute to the fund. In total, the contributions came to \$7,150. With the matching from the Greater Cincinnati Foundation, the amount doubled to \$14,300. The following organizations contributed to the program: Bavarian, Boone, Campbell, and Kenton Conservation Districts, City of Covington, City of Crescent Springs, CSI, City of Edgewood, City of Erlanger, City of Florence, City of Fort Mitchell, City of Southgate, City of Taylor Mill, and the Northern Kentucky City/County Managers Association.

C. Campbell County SWC was involved in the following informational activities:

1. ☐ Developed and implemented two County wide clean-up programs.

2. ☐ Distributed flyers relating to two county clean-ups.

3. ☐ Conducted the Campbell County Christmas Tree Recycling Program.

4. ☐ Developed and distributed Christmas Tree Mulching Flyers.

5. ☐ Answered residents' questions about solid waste.

6. ☐ Attended various solid waste meetings.

7. ☐ Distributed Resource Guide information pertaining to waste reduction and disposal.

8. ☐ Continued White Goods disposal program for Campbell County.

DISPOSAL: Brochures advertise recycling and landfill locations and hours of operation. Brochures also provide information on household hazardous waste. Local newspapers published articles advertised cleanup days, tire amnesty, and special free disposal opportunities at the Dozit landfill throughout the year. Uni County offered a tire amnesty and county-wide cleanup on December 5-7. Dozit Landfill accepted large bulky trash and construction debris at no charge during the December cleanup. A website details all locations available to the public for recycling and solid waste disposal.

RECYCLING/REDUCTION: The Tri-County Recycling Alliance and the National Association of Plastic Container Recycling donated containers to the schools for

recycling steel, plastic, glass, newspaper, cardboard, magazines, and office paper. Pauline Allen, SWC, visited the schools to educate students about solid waste issues and promote recycling.

ANTI-LITTERING: Union County Community Cleanup Days were promoted and sponsored by the Fiscal Court, Tri-County Recycling, and a citizens action group called UNION. During the cleanup days, residents were able to place bulky waste, household waste, and up to four tires out on the curb for pickup by the Union County Road Department. Dozit Landfill donated 50 tons of free waste disposal to help in the community effort. City sanitation workers cleaned city streets of Uniontown. The City of Sturgis had community cleanups in April and October. An open topped roll-off container was provided for residents to dispose of bulky items. The City of Morganfield also had a community cleanup. Bulky waste and appliances were collected by the sanitation department.
